Let's be friends

Our FIXED PRICE Guarantee only applies to readily accessible land where our complete site due diligence may be conducted (excludes unregistered land and knock-down, rebuild contracts). Please note that where specific engineering reports are required to complete site due diligence (such as Geotechnical, Hydraulic, Acoustic, Flood and Bushfire requirements) which, in some instances, may only be obtained after the signing of your HIA Building Agreement, the final fixed price amount will be guaranteed AFTER receipt of such engineering reports and design but ALWAYS fixed prior to the commencement of construction. For knock-down, rebuild contracts, Hudson Homes Time Frame Guarantee only applies after the soil testing (Bore Hole Report), contour survey and demolition / removal of site material has been completed and relevant authority approvals have been received. Hudson Homes agrees to complete construction of your new home on time as specified in your signed HIA Building Contract and the conditions therein.

Hudson Homes may amend these specifications and inclusions at any time without notice and reserves the right to supply alternative items of equal quality. Images are indicative only. Photographs and other images used may show fixtures, fittings or finishes which are not supplied by Hudson Homes, or which are only available in some designs, or when selected as additional upgrades at an additional cost. Standard included site costs are for a cleared residential site up to 450m<sup>2</sup>, with up to 1 metre fall across the building platform, M class slab classification and with all services available at site boundaries (excludes battle-axe and rural sites). No allowance has been made for additional requirements or covenants that may be applicable to individual lots or housing estates. BASIX requirements will be assessed on an individual site bases and additional costs may apply. Please speak to a Hudson Homes New Home Consultant who is able to provide a Tender that specifically outlines the features, finishes and fixtures that you will receive. Correct as at 17/10/24
